

INTERNATIONAL HOCKEY FEDERATION

FIH Certified Installed Pitches

This is a list of pitches which have been tested by FIH accredited laboratories and found to meet the specified requirements.

Until April 2008 the requirements were included in the March 1999 edition of the *FIH Handbook of Performance Requirements for Synthetic Turf Hockey Pitches incorporating Test Procedures*. In accordance with those requirements the main two categories of turf and pitch were called "global" and "standard". In addition, there was a "starter" category, but that has not been withdrawn.

From April 2008 the requirements were included in the April 2008 edition of the *Handbook of Performance Requirements for Synthetic Turf Hockey Pitches* also known as *The Pitch Handbook*. In that publication the "standard" category was renamed "national" so that the main two categories of turf and pitch are now known as "**global**" and "**national**". An additional "**multisport**" category has been added in accordance with the new Pitch Handbook published in May 2013.

If floodlights are installed and tests show they meet requirements in the FIH Guide to the Artificial Lighting of Hockey Pitches, the list states that pitch approval applies to "use in natural light and floodlights". If floodlights are not installed and/or have not been tested, the list states "floodlights not installed/approved".

Certification of a newly laid pitch is valid for 3 years, subsequent renewals are valid for 2 years.

Any enquiries about this list and the performance requirements should be addressed to the FIH Sport Coordinator at:

info@fih.ch

**** Pitch approvals which have lapsed and not been renewed, products which are no longer supplied or manufacturers who are no longer trading are listed in italics and marked with an asterisk.***

The International Hockey Federation provides information on various topics related to pitches and equipment.

- Field dimensions and markings (outdoor/field hockey)
 - Pitch dimensions and markings (indoor hockey)
 - Goals (outdoor/field hockey)
 - Goals (indoor hockey)
 - The stick (outdoor and indoor hockey)
 - The ball (outdoor and indoor hockey)
- Goalkeepers' equipment (outdoor and indoor hockey)

Information is available on the FIH website in the Pitches & Equipment folder about **Synthetic Fields and Lighting**, including:

- Certified installed pitches
- Guide to installing pitches and facilities
- Licensed manufacturers/suppliers of synthetic turf
 - Synthetic turf performance requirements
- Guidelines for care and maintenance of synthetic turf
 - Artificial lighting
 - Accredited laboratories
- Licensed manufacturers of hockey balls
- Advice on the requirements and regulations for advertising around the field of play and on colored over-runs (please email: info@fih.ch)
