Notes Where teams have the same total of WR points, ranking is determined by the highest placement at the most recent FIH or continental event

Ukraine deducted 30 World Ranking Points for their late withdrawal from a 2013 4 Nations Invitational Tournament

Points for the previous World League are reduced by 50% at the stage at which a team qualifies

From 2014 teams which win a World League Qualifying Tournament receive a bonus of 25 points

* Points gained by Great Britain distributed proportionally to England, Scotland and Wales

NOTE: The ranking points allocated to each country are to establish Continental Ranking ONLY. Separate points are then allocated to each country based upon the weightings fixed for each CF
