*\*The number is subject to change, i.e. retirement, serious injury.*

## FIH Anti-Doping Educational programme and activities

Education is an extremely important pillar of an effective anti-doping programme and is the first line of defence in protecting the rights of clean athletes. FIH provides extensive anti-doping education to thousands of athletes.

FIH initiated mandatory online anti-doping education for all top level athletes; targeted educational and awareness programmes were held in conjunction with FIH competitions and events, including;

- Anti-Doping officer attendance at;
  1. 2016 WADA Symposium – Lausanne, Switzerland.
  2. SportAccord IF Forum – Lausanne, Switzerland
  3. IF Anti-doping meeting – Lausanne, Switzerland
- Women's Champions Trophy, London – run by WADA outreach programme.
- Online Anti-Doping Education – 1,224 athletes and support personnel have completed.
