- 1.2 The two pools will be composed as follows.

Pool A	Pool B
Argentina	Additional team
Africa 1	Africa 2
Asia 2	Asia 1
Europe 1	Europe 2

 - no points to the loser.

- i A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.
- j If equality remains then teams having an equal number of points shall be ranked according to paragraphs 2.2.a, b, c and d as applied to goals recorded during the shoot-out competition.
- k If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Technical Delegate shall make a draw to take place to establish each sequence of play if such further rounds of shoot-outs are required.

In a Challenge Shoot-out competition, three players from each team take a one-on-one shoot-out alternately against a goalkeeper from the other team as set out in this Regulation. The Challenge Shoot-out competition comprises all series of Challenge Shoot-outs required to determine a result.

The following sets out both the playing Rules and the procedures to be followed.

- 1 The Challenge Shoot-out competition takes place after the end of a match, the above procedures must be carried out promptly so that the first shoot-out can take place within five (5) minutes of the end of the match.
- 2 A player who is still serving a disciplinary suspension by the Technical Delegate at the time the Challenge Shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the Challenge Shoot-out competition, cannot take part in that Challenge Shoot-out competition. A player who has been temporarily suspended (either by a green or yellow card) may take part in the Challenge Shoot-out competition even if the period of suspension has not been completed at the end of the match.
- 3 The FIH Event Director, if present, or the Technical Delegate will specify the goal to be used.
- 4 The Technical Delegate will specify at the pre-competition briefing meeting the method of timing Challenge Shoot-outs taking account of the facilities available and the need to control time accurately.
- 5 A coin is tossed; the team which wins the toss has the choice to take or defend the first Challenge Shoot-out.
- 6 All persons listed on the Match Report other than any player who has been excluded permanently (red card) during the match which leads to the Challenge Shoot-out competition are permitted to enter the field of play outside the half used for the Challenge Shoot-out but must be at least 15 metres from the spot where the ball is placed at the start of the Challenge Shoot-out.
- 7 The goalkeeper of the team taking a Challenge Shoot-out must stand on the back-line near the corner of the pitch.

 - c the team whose player took the first Challenge Shoot-out in a series defends the first Challenge Shoot-out of the next series;
 - d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of Challenge Shoot-outs, not necessarily being all three Challenge Shoot-outs, that team is the winner.
- 18 If an equal number of goals are scored after a second series of three Challenge Shoot-outs, additional series of Challenge Shoot-outs are taken with the same players subject to the conditions specified in this Appendix:

APPENDIX 5

FIH CODE OF CONDUCT – GUIDELINES TO TECHNICAL DELEGATES ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise a discretion to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Technical Delegate must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for their response to the report, ie do they accept the offence charged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Technical Delegate (through an interpreter if necessary). It should deal (at least) with the following matters:

- a whether or not the team member accepts the breach of the Code of Conduct;
- b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Technical Delegate, a greater penalty. If a greater penalty is being considered then:

- a the disciplinary history of the team member;
- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Technical Delegate in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so
- d a statement that the decision to impose any further suspension or penalty is referred to the FIH Chief Executive Officer for further consideration by the FIH Disciplinary Commissioner; and
- e a summary of the Technical Delegate's reasons that may justify the imposition of an additional suspension or other penalty.
