- g If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.
- h Should there still remain equality among two teams, then the aggregate results of the matches played between those teams will determine the ranking of the tied teams in accordance with clauses c, d, e and f of this Article.

The winners of these matches will play the final. The losers of these matches will play for 3<sup>rd</sup> and 4<sup>th</sup> places.
- f If at the end of the regulation time of a Grand Final match the result is a draw, in order to establish an outright winner of a match for the purpose of the competition, a shoot-out competition as specified in Appendix 2 will be played to establish the winner of the match.

#### 4.4 FIH World Ranking Points

FIH World Ranking Points for places 5<sup>th</sup> and below will be based on the places 5<sup>th</sup> and below after the final Match of the League up until the Grand Final. FIH World Ranking Points for 1<sup>st</sup> – 4<sup>th</sup> places will be based on the rankings from the Grand Final.

A report can be received by the Chief Executive Officer from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Chief Executive Officer will exercise discretion as to whether to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

#### **2 PRINCIPLES OF NATURAL JUSTICE**

The principles of natural justice apply in the following way.

- a The Chief Executive Officer appoints a Judicial Panel and a Chair of a particular panel and advises the Team Manager of the details of the panel.
- b The Chair of the Judicial Panel will advise the Team Manager of:

  - ii the identity of the team member(s) reported;
  - iii the level of the offence;
  - iv the time and place of the hearing;
  - v details of the conduct and the mode of proof of it;
  - vi if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Chief Executive Officer must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

#### **3 THE HEARING**

The particular Judicial Panel may conduct the hearing in such a manner and at such time and in such a way as they consider desirable and / or suitable. This may include holding the meeting electronically. If any party fails to participate in the hearing, the hearing may proceed in the absence of that or any other party.

The person who is the subject of the report must participate in the hearing. The said person who is the subject of the report may invite the participation of one representative if (s)he desires. In addition the person the subject of the report may be assisted by an interpreter.

The Chair of the particular Judicial Panel must outline the evidence relied on to support the report including showing any video footage.

This *FIH Pro League Media Policy* (the *Policy*) is adopted and implemented as part of *FIH's* strategy to unite the hockey community to reach its ambition - a global game that inspires future generations.
- 1.2. The *Policy* aims to assist in the management of the relationship between the accredited media covering *FIH Pro League* and *Participants*. Crucially, this *Policy* also assists in maximizing and enhancing the media coverage of *International Events* to help achieve *FIH's* purpose.
- 1.3. All *Participants* are automatically bound by and required to comply with all of the provisions of the *Policy*. Accordingly, such *Participants* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Policy* and acknowledge non-compliance with the *Policy* may result in disciplinary action being taken against them.
- 1.4. While the *Policy* sets out general guidelines and minimum requirements, *FIH* reserves the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with *Participants*.
- 1.5. The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Policy* and ensuring that each *Participant's* media (and social media) activity prior to, during and after *FIH Pro League* is in accordance with the *Policy* and does not bring the name of *FIH* and sport of *Hockey* into disrepute.
- 1.6. Each *Participant* acknowledges the importance of communicating and cooperating with the media in order to enhance the image of *FIH Pro League*. The *Policy* applies to all *Participants* for the duration of the Season.

  - g Shots from changing room cameras may only be used at the following times:
    - i a single shot may be transmitted from each changing room on a delayed basis as part of a pre-recorded sequence showing the team arriving at the venue, exiting the bus, moving into the tunnel area and entering the changing room. It will be a wide shot of the team entering the changing room moving to and placing their gear in their respective positions:

- 2.7 *Participants* will be required to give compulsory flash interviews:

## **APPENDIX 7**

### **VIDEO UMPIRE**

#### **1 POWER TO REFER DECISIONS TO THE VIDEO UMPIRE**

- 1.1 The Match Umpires are the only persons who can refer decisions to the Video Umpire either directly or after a request from a team;
- 1.2 Referrals cannot be made as a result of protests, queries or pressure from players, Team Managers or Coaches on any decision. Teams (and their captains) will be held responsible for any violation or abuse of the Video Umpire protocols;
- 1.3 No one other than the Match Umpires, can stop the match to request a referral; e.g. the Video Umpire or Technical Officials at the Technical Table cannot stop a match.

#### **2 UMPIRE REFERRAL**

- 2.1 The Match Umpires may refer decisions to the Video Umpire when they are not convinced that they have taken, or are able to take, the correct decision relating to the awarding / disallowing of goals or the award / non-award of Penalty Strokes.
- 2.2 Referrals shall only relate to whether or not a goal has been legally scored or if a Penalty Stroke has been correctly awarded or not awarded.
- 2.3 The Match Umpires are therefore entitled to request the Video Umpire to assist in making decisions which include, but are not restricted to:
  - a whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar);
  - b whether the ball was legally played or touched inside the circle by the stick of an attacker and did not travel outside the circle before passing completely over the goal-line and under the cross-bar;
  - c whether the ball travelled outside the circle before it entered the goal from a shot by an attacker during the taking of a penalty corner;
  - d whether a breach of the Rules has been observed within the attacking 23 metres area in the play leading to the awarding or disallowing of a goal. It is then for the Match Umpire to take any breach into account in reaching his / her decision.
  - e whether an offence has been committed by a defender in the circle which prevents the probable scoring of a goal, or there has been an intentional offence in the circle by a defender against an opponent who has possession of the ball or an opportunity to play the ball.
- 2.4 The Match Umpire requests Video Umpire assistance using the “television-screen” signal; he / she relays by radio to the Video Umpire whatever information is necessary.

### **3 UMPIRE REFERRAL PROCESS**

- 3.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 3.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:
  - 'Goal'
  - 'No Goal'
  - 'Penalty Stroke'
  - 'No Penalty Stroke'
  - 'No Advice Possible'
  - plus advice on any observed breach of the Rules.
- 3.3 If a breach of the Rules is observed and advised to the match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.
- 3.4 In the case of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment) the original decision of the Match Umpire stands. If there was no decision given before the referral, then the final decision is 'No Goal' or 'No Penalty Stroke' (depending on the type of referral).
- 3.5 An umpire referral that has been already been adjudicated upon may not be the subject of a subsequent team referral.

### **4 TEAM REFERRAL**

- 4.1 Each team is allowed one team referral request (which must be made through the Match Umpires) during regulation time in any match subject to articles 5.4a and 5.4b below of this Regulation and one team referral request during a shoot-out competition, subject to articles 5.4a and 5.4b below:
  - a team referrals will be restricted to decisions within the 23 metre areas relating to the award (or non-award) of goals, penalty strokes and penalty corners and, during a shoot-out competition, whether a shoot-out should be re-taken. The award of personal penalty cards may not be the subject of a team referral;
  - b any team player, on the field of play at the time of the incident, can request a team referral;
  - c this player must indicate to a Match Umpire that he / she wishes to use their team referral. He / she must do so immediately after the incident or decision which is to be referred by using the 'T' signal as well as confirming this verbally to the Umpire;
  - d the Match Umpires will not disallow any request for a team referral provided the 'T' signal has been used by a player and seen by the umpire;

- e the player requesting the team referral must inform a Match Umpire of the exact nature of the decision (or non-decision) that their team wishes to be reviewed within a maximum of 20 seconds;
- f if no question is received within 20 seconds the team referral will automatically default to a review of the last decision or non-decision relating to the award (or non-award) of a goal, penalty stroke, penalty corner or re-take of a shoot-out;
- g the Match Umpire then requests Video Umpire assistance using the “television-screen” signal, followed by a ‘T’ signal to denote a team referral; he / she relays by radio to the Video Umpire whatever information is necessary.

## **5 TEAM REFERRAL PROCESS**

- 5.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 5.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:
  - ‘Goal’
  - ‘No Goal’
  - ‘Penalty Stroke’
  - ‘No Penalty Stroke’
  - ‘Penalty Corner’
  - ‘No Penalty Corner’
  - ‘Shoot-out to be re-taken’
  - ‘No shoot-out re-take’
  - ‘No Advice Possible’
  - plus advice on any observed breach of the Rules.
- 5.3 If a breach of the Rules is observed and advised to the Match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.
- 5.4 Implications for the retention or loss of team referral rights:
  - a in the event that the referral is upheld the referring team retains their right of referral;
  - b in the event of ‘No Advice Possible’ (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment), the referring team retains its right of referral;
  - c if there is no clear reason to change the Match Umpire’s original decision, the referring team loses their right of referral.

- 5.5 A team referral that has been already been adjudicated upon may not be the subject of a subsequent referral by the opposing team.

## **6 FOR UMPIRE AND TEAM REFERRALS**

- 6.1 The final decision, including any matter of interpretation, remains with the Match Umpire and not the Video Umpire.
- 6.2 All other decisions remain with the Match Umpires.
- 6.3 Substitutions may not take place during the stoppage of play for a video referral; substitution may take place on the resumption of play subject to the Rules of Hockey.

  - v The Match Manager will initiate the Delay, Interruption and Cancellation procedure set out in Regulation 7.1

#### 2 INTENSE RAINFALL

The Rules of Hockey are silent about how and who determines when a pitch is unfit for play. There is no definition at which point that a pitch is too filled with water to make it unplayable.

## **2.1 Procedure Implementation**

When heavy rainfall is forecast, the Match Manager will stay at the Technical Table and keep in contact with the match umpires. If the umpires are of the view that the pitch has become unplayable, they will stop the Match and consult with the Match Manager.

- a If the Match Manager deems the pitch unplayable, the match umpires will be instructed to stop the Match.
- b The Match Manager shall inform the Host National Association as soon as this situation is likely to occur or immediately following this decision if it is not foreseen in advance. The Host National Association will regularly update the Chief Executive Officer of the developing situation.
- c The Match Manager will initiate the Delay, Reschedule and Cancellation procedure set out in Regulation 7.1

## **3 HIGH TEMPERATURES**

The following procedure will apply when the temperature in the team bench area (where the players are most readily able to reduce body temperature) is 36°C, ten minutes before the start of a match or the third period of a match. This threshold may be reviewed and lowered in locations where the relative humidity is more than 75%.

### **3.1 Procedure Implementation**

- a A thermometer and hygrometer shall be stationed at the Technical Table.
- b The hosts shall provide two fans for each Team Bench and one for the Technical Table.
- c Team Managers will be advised by the Match Manager before the start of the first or third period as appropriate that the policy is being implemented.
- d Breaks at the end of the first and third period will be extended to four minutes in order to allow players to rehydrate. Teams shall provide additional hydration for their goalkeepers.
- e Where possible, rehydration should take place in the shade.

## **4 ICE, SNOW AND LOW TEMPERATURES**

As with the above section on Intense Rainfall, both the Rules of Hockey and FIH Tournament Regulations are silent about how to and who determines when a pitch is unfit for play. There is no definition at which point that a pitch is too filled with ice or snow to make it unplayable.

Ice starts to form when water reaches a temperature of 4°C. Host Organising Committees are encouraged to seek advice from the relevant turf supplier about playing in these conditions as there may be warranty restrictions.

#### 4.1 Procedure Implementation

- A thermometer shall be stationed at the Technical Table.
- The Host National Association shall provide the Match Manager updates on the weather position at least every 15 minutes.
- When ice and snow are forecast, the Match Manager will stay at the Technical Table and be in contact with the match umpires via the reserve umpire. If the umpires are of the view that the pitch has become unplayable, indications of this will be players slipping on water that is starting to freeze and that water is ponding due to drainage pathways becoming blocked by the formation of ice, or if snowfall should make the outline of the pitch markings and / or ball difficult to distinguish, they will stop the match and consult with the Match Manager.
- If the ambient air temperatures drops to 3°C, the match should be stopped and a pitch inspection take place to determine whether the match should be suspended until the ambient air temperature reaches 4°C.
- If the Match Manager deems the pitch unplayable, the match umpires will be contacted via the reserve umpire and instructed to stop the Match.
- The Match Manager shall inform the Host National Association as soon as this situation is likely to occur or immediately following this decision if it is not foreseen in advance. The Host National Association will regularly update the Chief Executive Officer of the developing situation.
