APPENDIX 2

ONE POOL COMPETITION PLAN AND RANKING

1 PLAN OF THE COMPETITION

1.1 There will be one pool comprising of all participating teams.

2 RANKING IN THE POOLS

Ranking in a pool is determined according to Appendix 3.

3 CLASSIFICATION MATCHES

3.1 This regulation applies only to the final classification play-off competition if it is to be played after the one pool competition.

3.2 The teams for the classification matches will be as follows although the matches will not necessarily be played in this order:

7th Ranked Team v 8th Ranked Team (to determine 7th and 8th places)

5th Ranked Team v 6th Ranked Team (to determine 5th and 6th places)

3rd Ranked Team v 4th Ranked Team (to determine 3rd and 4th places)

1st Ranked Team v 2nd Ranked Team (to determine 1st and 2nd places)

3.3 The score at the end of the regulation time of any match will be registered by the FIH as the result of the match.

3.4 If at the end of regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in the Rules of ParaHockey (ID) will be played to establish the winner of the match.

APPENDIX 3

RANKING IN A POOL

- 1 In each pool, all the teams will play against each other, and the following points will be awarded for each match :
 - three points to the winner;
 - two points to each team in the event of a score draw:
 - one point to each team, in the event of a no score draw;
 - no points to the loser.

- 2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.
 - a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
 - b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.
 - c If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.
 - d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
 - e If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with Article 1 of this appendix. If there remains equality, then the teams involved shall be ranked according to Articles 2.a, b, c, and d of this Appendix.
 - f If there still remains equality among two or more teams, then these teams will be ranked according to the number of Field Goals scored in the pool matches.
 - g Should there still remain equality among two teams, then the ranking will be determined by a shoot-out competition between those teams (for details see Appendix 11 of these Regulations).
 - h If more than two teams are involved, then each team will play a shoot-out competition against the other teams in the same sequence of play as the order of play in the competition, in accordance with Appendix 11 of these Regulations but with one round of 3 shoot-outs only to be taken compulsorily by each team.
 - i A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.
 - j If equality remains then teams having an equal number of points shall be ranked according to Articles 2.a, b, c and d as applied to goals recorded during the shoot-out competition.
 - k If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Technical Delegate shall make a draw to establish each sequence of play if such further rounds of shoot-outs are required.

APPENDIX 4

APPENDIX 7

FIH CODE OF CONDUCT – GUIDELINES TO TECHNICAL DELEGATES ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise discretion as to whether to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Technical Delegate must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for their response to the report, ie do they accept the offence as alleged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Technical Delegate (through an interpreter if necessary). It should deal (at least) with the following matters:

- a whether or not the team member accepts the breach of the Code of Conduct;
- b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Technical Delegate, a greater penalty. If a greater penalty is being considered then:

- a the disciplinary history of the team member;
- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Technical Delegate in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number and type of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so
- d a statement that the decision to impose any further suspension or penalty is referred to the FIH Chief Executive Officer for further consideration by the FIH Disciplinary Commissioner; and
- e a summary of the Technical Delegate's reasons that may justify the imposition of an additional suspension or other penalty.
