This may include holding the hearing by video link or any other appropriate form of communications technology. If any party fails to attend the hearing, the Appeal Jury may proceed in the absence of that or any other party.
- 18.9 The Appeal Jury must publish a decision in writing. A copy must be provided to the FIH Representative, FIH Chief Executive or his designee and the Technical Delegate; it must be published as soon as possible but not later than two hours before the start of the next match in which the individual or team that is the subject of the Appeal is due to participate. Wherever possible, the Chair of the Appeal Jury which heard the case should orally notify the decision to the Team Manager or official concerned immediately after making the decision.
- 18.10 The decision of the Appeal Jury is final and binding on all parties concerned.
- 18.11 Notwithstanding the test set out in Article 18.5, the decision of the Appeal Jury shall be based on the balance of probabilities (more likely than not).

18.12 An Appeal Jury has the power:

- a to allow or dismiss the appeal;
- b to vary the decision of the Technical Delegate;
- c to increase, decrease, remit or otherwise vary any penalty included in the decision of the Technical Delegate;
- d to impose such other penalty or sanction as it deems fit;
- e to recommend to the FIH Executive Board that the deposit be refunded or forfeited;
- f to make an order for payment of costs.

18.13 If the Appeal Jury decides, whether or not it allows the appeal in whole or part, that any period of suspension or other penalty may or ought to include the imposition of a suspension that affects matches or otherwise should take effect beyond the conclusion of the tournament, the Appeal Jury must, within 3 days, give written notice of its decision to the FIH Chief Executive Officer, who will refer it to the FIH Disciplinary Commissioner to decide on any further period of suspension or other penalty to be imposed.

18.14 At events where an FIH Representative has not been appointed, any appeal against a decision of a Technical Delegate must be communicated to the FIH Chief Executive Officer, who will refer it to the FIH Disciplinary Commissioner. The procedures in articles 16.10, 18.3 and 18.4 must be followed. As it may not be possible for the FIH Disciplinary Commissioner to reach a decision on any appeal within the timeframe in article 18.9, any decision of the Technical Delegate will stand until the FIH Disciplinary Commissioner has considered the appeal.

19 ANTI – DOPING

19.1 As a pre-condition of their participation in the Event, all players must have undertaken an Anti-Doping education program prior to the commencement of the Event (if not completed within the preceding 24 months). Each National Association is free to choose which education program is most suitable for its players, such as the World Anti-Doping Agency's on-line course ALPHA, or a National Anti-Doping Organisation / Regional Anti-Doping Organisation organised training.

19.2 All Anti-Doping tests will be carried out in accordance with the World Anti-Doping Code and the FIH Anti-Doping Rules relevant as at the first playing day of the tournament.

19.3 All matches are subject to Anti-Doping tests as FIH may direct.

19.4 Team Managers will be advised about Anti-Doping test procedures at the Event Briefing meeting.

19.5 Any player listed on the Team Entry form may be the subject of an Anti-Doping test after a match even if that player has not entered the Field of Play. A player may be the subject of more than one Anti-Doping test during a competition.

19.6 A player selected for an Anti-Doping test may not take a shower, bath, ice-bath or similar before providing a urine / blood sample which meets the requirements in the International Standard for Testing.

20 UNFORESEEN EVENTS

20.1 If circumstances arise pertaining to the technical aspects of the conduct of the tournament, which are not provided for in these Regulations, the Technical Delegate will determine any actions necessary.

20.2 If any team affected by a decision of the Technical Delegate under article 20.1 wishes to protest, it may do so following the procedures set out in Regulation 16.

20.3 If circumstances in relation to a wider event matter arise which are not provided for in these Regulations, the FIH Chief Executive Officer or his designee will determine any actions and follow the FIH Crisis Communications procedure as appropriate.

APPENDIX 2

FOUR POOL 16-TEAM, 44 MATCH COMPETITION WITH CROSS-OVERS AND CLASSIFICATION MATCHES, RANKING IN A POOL AND RANKING IN COMPETITION

1. PLAN OF THE COMPETITION

1.1 There will be four pools, each comprising four teams.

1.2 The four pools will be composed as follows:

- i. The Top 4 teams based on the FIH World Ranking at the date when the match schedule is initially drafted will be positioned in the first row of each one of the pools.
- ii. The second row will be drawn and composed by the Top 4 teams based on the FIH World Ranking at the date when the match schedule is initially drafted not counting the ones that have already been positioned in the first row.
- iii. The third row will be drawn and composed by the Top 4 teams based on the FIH World Ranking at the date when the match schedule is initially drafted not counting the ones that have already been positioned in the first and second row.
- iv. The fourth row will be drawn and composed by the Top 4 teams based on the FIH World Ranking at the date when the match schedule is initially drafted not counting the ones that have already been positioned in the first, second and third row.
- v.

POOL A	POOL B	POOL C	POOL D
1	2	3	4
	5 - 8		
	9 - 12		
	13 - 16		

1.3 If one or more team(s) does not participate, a reserve team(s), if called upon, will, in principle, take the place of the defaulting team(s). The FIH reserves the right to exercise an unfettered discretion to re-arrange the composition of the pools prior to the Event Briefing.

2. RANKING IN THE POOLS

2.1 In each pool, all the teams will play against each other, and the following points will be awarded for each match :

- three points to the winner;
- one point to each team, in the event of a draw;
- no points to the loser.

2.2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.

- a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
- b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.
- c If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.
- d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
- e If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with Article 1 of this appendix. If there remains equality, then the teams involved shall be ranked according to Articles 2.2.a, b, c, and d of this Appendix.
- f If there still remains equality among two or more teams, then these teams will be ranked according to the number of Field Goals scored in the pool matches.
- g Should there still remain equality among two teams, then the ranking will be determined by a shoot-out competition between those teams (for details see Appendix 4 of these Regulations).
- h If more than two teams are involved, then each team will play a shoot-out competition against the other teams in the same sequence of play as the order of play in the competition, in accordance with Appendix 4 of these Regulations but with one round of 5 shoot-outs only to be taken compulsorily by each team.
- i A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.
- j If equality remains then teams having an equal number of points shall be ranked according to Articles 2.2.a, b, c and d as applied to goals recorded during the shoot-out competition.
- k If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Technical Delegate shall make a draw to establish each sequence of play if such further rounds of shoot-outs are required.

- 3.1 The winners of the pools will play in the quarter-finals as set out in Article 3.4 below.

The winners of these matches will play for 1st and 2nd places (the final) and the losers will play for 3rd and 4th places.

- 3.9 The score at the end of the regulation time of a classification match will be registered by the FIH as the result of the match.
- 3.10 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 3 will be played to establish the winner of the match.

4. CLASSIFICATION RANKING

- 4.1 The teams that lose the quarter-finals will be ranked 5th – 8th according to the position that they finish in their respective pools. Where two teams finish in the same position in their respective pools the ranking will be determined as follows.
- a The teams will be ranked according to the number of points gained in pool matches
 - b If there remains equality, the teams will be ranked according to the number of matches won
 - c If there still remains equality, the teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one

 - f If there still remains equality, the teams will be ranked on their combined performance in pool, cross-over matches and quarter final matches based upon 4.1 a, b, c, d and e above. If a team wins its cross-over match and / or loses its quarter-final in a shoot-out competition, it will be deemed to have been awarded 1 point per match as the score would be equal at the end of regulation time
 - g Should there still remain equality, then the ranking will be shared equally.

APPENDIX 3

SHOOT-OUT COMPETITION

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

The following sets out both the playing Rules and the procedures to be followed.

- 1 If the shoot-out competition takes place after the end of a match, the first shoot-out should take place as soon as possible after the end of the match but no later than five (5) minutes after the end of regulation playing time.
- 2 The respective Team Managers provide five players to take and one player to defend the shoot-outs from those on the Match Report except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below.
- 3 A player who is still serving a disciplinary suspension by the Technical Delegate at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.
- 4 FIH will specify the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.
- 5 The FIH Chief Executive or his designee will specify the goal to be used.
- 6 A coin is tossed; the team which wins the toss has the choice to take or defend the first shoot-out.
- 7 All persons listed on the Match Report other than any player who has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play on the half-way line.
- 8 The goalkeeper / defending player of the team taking a shoot-out shall wait on the back-line outside the circle.
- 9 A player taking or defending a shoot-out may enter the 23m area for that purpose.
- 10 Players taking a shoot-out and also defending the shoot-outs taken by opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.
- 11 Five players from each team take a shoot-out alternately against the goalkeeper / defending player of the other team making a total of 10 shoot-outs.

- 12 Taking a shoot-out:
 - a the goalkeeper / defending player starts on or behind the goal-line between the goal posts;
 - b the ball is placed on the nearest 23m line opposite the centre of the goal;
 - c an attacker stands outside the 23m area near the ball;
 - d the Umpire blows the whistle to start time;
 - e an official at the technical table starts the clock;
 - f the attacker and the goalkeeper / defending player may then move in any direction;
 - g the shoot-out is completed when:
 - i 8 seconds has elapsed since the starting signal;

 - vi the ball goes out of play over the back-line or side-line; this includes the goalkeeper / defending player intentionally playing the ball over the back-line.
- 13 If a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player on the Match Report subject to the provisions of Articles 16, 17 and 18 of this Appendix.
- 14 The team scoring the most goals (or ahead by more goals than the other team has untaken shoot-outs available) is the winner.
- 15 A player may be suspended by a yellow or red card but not by a green card during the shoot-out competition.
- 16 If during a shoot-out competition (including during any penalty stroke which is awarded) a player is suspended by a yellow or red card:
 - a that player takes no further part in that shoot-out competition and, unless a goalkeeper / defending player, cannot be replaced;
 - b the replacement for a suspended goalkeeper / defending player can only come from the five players of that team nominated to take part in the shoot-out competition:
 - i the replacement goalkeeper / defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper / defending player they are replacing was wearing;
 - ii for taking their own shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
 - c any shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.

- 17 If during a shoot-out competition, a defending goalkeeper / defending player is incapacitated:
 - a that goalkeeper / defending player may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the shoot-out competition;
 - b the replacement goalkeeper:
 - i is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper / defending player was wearing;
 - ii if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
- 18 If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition.
- 19 Any replaced player (defender or attacker) takes no further part in the shoot-out competition.
- 20 If an equal number of goals are scored after each team has taken five shoot-outs:
 - a a second series of five shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - b the sequence in which the attackers take the shoot-outs need not be the same as in the first series;
 - c the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
 - d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner.
- 21 If an equal number of goals are scored after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in this Appendix:
 - a the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
 - b the team which starts each shoot-out series alternates for each series.
- 22 Unless varied by this Appendix or Appendix 1, the Rules of Hockey apply during a shoot-out.

APPENDIX 5

FIH CODE OF CONDUCT – GUIDELINES TO TECHNICAL DELEGATES ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise discretion as to whether to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Technical Delegate must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage that may be available.

The team member is to be asked for her / his response to the report, ie does (s)he accept the offence as alleged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Technical Delegate (through an interpreter if necessary). It should deal (at least) with the following matters:

- a whether or not the team member accepts the breach of the Code of Conduct;
- b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Technical Delegate, a greater penalty. If a greater penalty is being considered then:

- a the disciplinary history of the team member;
- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a personal penalty card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Technical Delegate in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so:
 - i a statement that the decision to impose any further suspension or penalty is referred to the FIH Chief Executive Officer for further consideration by the FIH Disciplinary Commissioner; and
 - ii a summary of the Technical Delegate's reasons that may justify the imposition of an additional suspension or other penalty.

The Media Policy (the *Policy*) is adopted and implemented as part of *FIH's* strategy to unite the hockey community to reach its ambition - a global game that inspires the next generation.
- 1.2 The *Policy* aims to assist in the management of the relationship between the accredited media covering *International Events* and *Participants*. Crucially, this *Policy* also assists in maximizing and enhancing the media coverage of *International Events* to help achieve *FIH's* purpose.

- 1.5 While this *Policy* sets out general guidelines and minimum requirements *FIH* reserves the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with the *Participants*.
- 1.6 The *Policy* incorporates the Social Media Guidelines set out in Article 3 of this *Policy*.
- 1.7 The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Policy* and ensuring that each *Participant's* media (and social media) activity prior to, during and after the *International Event* is in accordance with the *Policy* and does not bring the name of *FIH* and sport of *Hockey* into disrepute.
- 1.8 Each Participant acknowledges the importance of communicating and cooperating with the media in order to enhance the image of *International Events*. The *Policy* applies to all *Participants* for the duration of the *International Event* (from the start of the Outward Journey until the conclusion of the Homeward Journey).
- 1.9 The *Code of Conduct* came into full force and effect at *FIH* level on 1 May 2016 (the *Effective Date*) and superseded the previous *Policy* as from that date. It may be amended from time to time by *FIH*.

- 1.3 No one other than the Match Umpires, can stop the match to request a referral; eg the Video Umpire or Technical Officials at the Technical Table cannot stop a match.

2 UMPIRE REFERRAL

- 2.1 The Match Umpires may refer decisions to the Video Umpire when they are not convinced that they have taken, or are able to take, the correct decision relating to the awarding / disallowing of goals or the award / non-award of Penalty Strokes.
- 2.2 Referrals shall only relate to whether or not a goal has been legally scored or if a Penalty Stroke has been correctly awarded or not awarded.
- 2.3 The match Umpires are therefore entitled to request the Video Umpire to assist in making decisions which include, but are not restricted to:
 - a whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar);
 - b whether the ball was legally played or touched inside the circle by the stick of an attacker and did not travel outside the circle before passing completely over the goal-line and under the cross-bar;
 - c whether the ball travelled outside the circle before it entered the goal from a shot by an attacker during the taking of a penalty corner;
 - d whether a breach of the Rules has been observed within the attacking 23 metres area in the play leading to the awarding or disallowing of a goal. It is then for the Match Umpire to take any breach into account in reaching their decision.
 - e whether an offence has been committed by a defender in the circle which prevents the probable scoring of a goal, or there has been an intentional offence in the circle by a defender against an opponent who has possession of the ball or an opportunity to play the ball.
- 2.4 The Match Umpire requests Video Umpire assistance using the “television-screen” signal; he / she relays by radio to the Video Umpire whatever information is necessary.

3 UMPIRE REFERRAL PROCESS

- 3.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 3.2 Within the shortest time frame possible, the Video Umpire provides her / his advice and recommendation:
 - Goal
 - No Goal
 - Penalty Stroke
 - No Penalty Stroke
 - No Advice Possible
 - plus advice on any observed breach of the Rules.
- 3.3 If a breach of the Rules is observed and advised to the match Umpire, it is then for the Match Umpire to take into account the breach in reaching her / his final decision.
- 3.4 In the case of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment) the original decision of the Match Umpire stands. If there was no decision given before the referral, then the final decision is 'No Goal' or 'No Penalty Stroke' (depending on the type of referral).
- 3.5 An umpire referral that has been already been adjudicated upon may not be the subject of a subsequent team referral.

4 TEAM REFERRAL

- 4.1 Each team is allowed one team referral request (which must be made through the Match Umpires) during regulation time in any match subject to articles 5.4a and 5.4b below of this Regulation and one team referral request during a shoot-out competition, subject to articles 5.4a and 5.4b below:
 - a team referrals will be restricted to decisions within the 23 metre areas relating to the award (or non-award) of goals, penalty strokes and penalty corners and, during a shoot-out competition, whether a shoot-out should be re-taken or a penalty stroke awarded. The award of personal penalty cards may not be the subject of a team referral;
 - b any team player, on the field of play at the time of the incident, can request a team referral;
 - c this player must indicate to a Match Umpire that he / she wishes to use their team referral. He / she must do so immediately after the incident or decision which is to be referred by using the 'T' signal as well as confirming this verbally to the Umpire;
 - d the Match Umpires will not disallow any request for a team referral provided the 'T' signal has been used by a player and seen by the umpire;
 - e the player requesting the team referral must inform a Match Umpire of the exact nature of the decision (or non-decision) that their team wishes to be reviewed within a maximum of 20 seconds;

- f if no question is received within 20 seconds the team referral will automatically default to a review of the last decision or non-decision relating to the award (or non-award) of a goal, penalty stroke, penalty corner or re-take of a shoot-out;
- g the Match Umpire then requests Video Umpire assistance using the “television-screen” signal, followed by a ‘T’ signal to denote a team referral; he / she relays by radio to the Video Umpire whatever information is necessary.

5 TEAM REFERRAL PROCESS

- 5.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 5.2 Within the shortest time frame possible, the Video Umpire provides her / his advice and recommendation:
 - Goal
 - No Goal
 - Penalty Stroke
 - No Penalty Stroke
 - Penalty Corner
 - No Penalty Corner
 - Shoot-out to be re-taken
 - No shoot-out re-take
 - No Advice Possible
 - plus advice on any observed breach of the Rules.
- 5.3 If a breach of the Rules is observed and advised to the Match Umpire, it is then for the Match Umpire to take into account the breach in reaching her / his final decision.
- 5.4 Implications for the retention or loss of team referral rights:
 - a in the event that the referral is upheld the referring team retains its right of referral;
 - b in the event of ‘No Advice Possible’ (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment), the referring team retains its right of referral;
 - c if there is no clear reason to change the Match Umpire’s original decision, the referring team loses its right of referral.
- 5.5 A team referral that has been already been adjudicated upon may not be the subject of a subsequent referral by the opposing team.

6 FOR UMPIRE AND TEAM REFERRALS

- 6.1 The final decision, including any matter of interpretation, remains with the Match Umpire and not the Video Umpire.

- 6.2 All other decisions remain with the Match Umpires.
- 6.3 Substitutions may not take place during the stoppage of play for a video referral; substitution may take place on the resumption of play subject to the Rules of Hockey.

APPENDIX 9

COVID-19 SPECIFIC REGULATIONS

Following the increase in global vaccination rates, and the changing government policies around the world with regard to COVID-19, these Regulations have been updated, and apply to all FIH events from May 1, 2022.

The differing approaches by Governments, and the differences in the COVID-19 situation across the world, mean that there can be no single FIH Regulations that can be applied to all countries and events consistently.

Therefore, going forwards, with respect to COVID-19, all events will follow the local government and health laws in the host nation.

For clarity, testing may be required to enter a country, or to participate in a sporting event, but no additional testing over and above the local health laws and guidelines will be required of athletes, officials, staff, volunteers or fans, to participate in or to attend a hockey event.

Cases of COVID-19 should be managed and dealt with according to the local health laws and guidelines, with isolation, testing, close contact definitions and timelines to be followed in accordance with those laws and guidelines.

For further clarity, in line with the Rules of Hockey, there is no minimum number of athletes that have to be available in order for a team to participate in an event.

Should local laws and guidelines lead to a team not being able to participate in **an Event**:

- If a nation has to withdraw prior to the start of an event, the reserve team will be invited if possible. If this is not possible due to timing and logistics, the event will take place with one less team
- If a nation cannot continue after the start of the tournament:
 - a. During the pool matches:
 - In case a team or teams cannot participate in a pool match due to COVID-19, it will be recorded as a 5-0 loss but the team will not be withdrawn from the competition. The pool rankings will be determined in the usual way, including the 5-0 loss(es) for any matches not played for this reason. The said team/teams will be allowed to play it's/their remaining pool matches if they are able to. No goals shall be attributed to any player for these 5-0 losses and these match results will not lead to any exchange of world ranking points.
 - In case one or more team(s) is unable to continue in the competition before the end of the final match in the pool stage, they will be ranked in the pool according to their results, with 5-0 losses for any matches they have not been able to compete in or complete, but they will not be considered for progression to the classification stages.
 - b. During the classification stages:
 - Teams that are not able to continue to compete in the competition will be considered "Did Not Finish (DNF)" and will be awarded the minimum ranking they have achieved at the point they are not able to continue.
- For each Tournament, a Competition Progression document will be drafted and distributed to all teams prior to the start of the event, that outlines what will happen within the competition if a team has to withdraw, and the impact this withdrawal has on the pool stages and knockout rounds of the event from then onwards

Should local laws and guidelines lead to the **Postponement of an Event**:

- The decision to postpone an event due for whatever COVID related reason, will be made on a case by case basis at the discretion of the FIH Chief Executive Officer in consultation with the hosts
